

WIRED AERIAL THEATRE

TALENT DEVELOPMENT PROGRAMME 2020

OPEN CALL

WANT TO START YOUR JOURNEY WITH US?

Apply to our new training programme to become the next Wired aerialist

We are launching an extensive and fully subsidised talent development programme to support the growth and diversity of our company with 3 unique opportunities to train in variety of aerial performance techniques.

COME AND LEARN:

BUNGEE-ASSISTED DANCE

Open to professionals from all performing arts disciplines

Deadline for applications: Weds 18th March 2020, 12pm

VERTICAL WALL

Open to professionals from all performing arts disciplines

Deadline for applications: Mon 6th July 2020, 12pm

VERTICAL WALL – COUNTER-BALANCERS

Open to anyone with a love of physical activity and an interest in the arts.

No counter-balance experience required.

Deadline for applications: Mon 6th July 2020, 12pm

We particularly welcome applicants from the following communities who are currently underrepresented within the aerial dance industry; BAME, LGBTQ, disability and lower socio-economic groups.

All courses are fully subsidised to all successful applicants. Travel Bursaries are available

Led by Wendy Hesketh-Ogilvie and Jamie Ogilvie Wired is one of the world's foremost experts in aerial consultation fusing its signature style aerial technique Bungee-Assisted Dance with contemporary dance, physical theatre, aerial performance, gymnastics and climbing.
